## COMPLIANCE GO

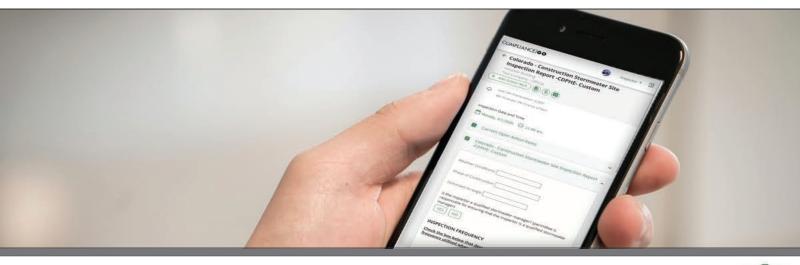

You Won't Find This Anywhere Else

These are the Features That Set Us Apart

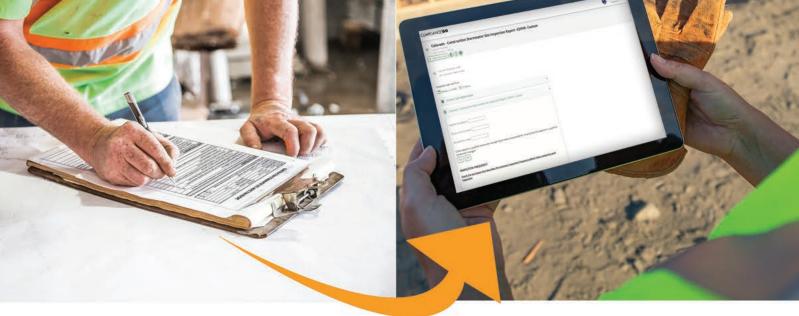

Inspector only mode designed specifically for inspector workflow. Compatible on any device, this feature provides those in the field with all they need at their fingertips.

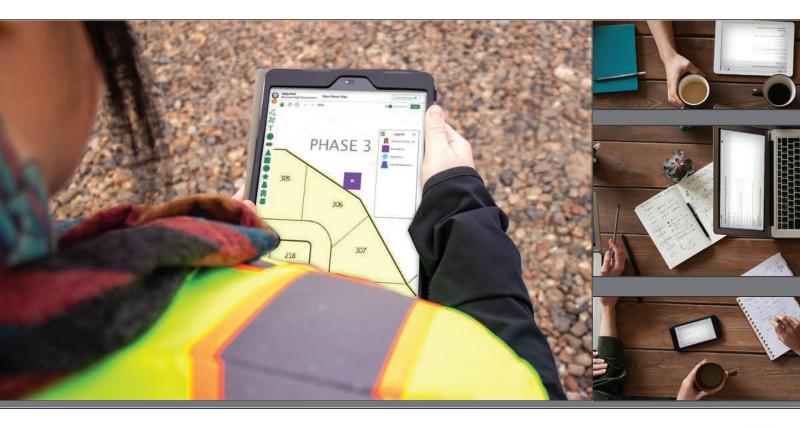

We invented the ability to use any form in any format you need across all devices

## Go|Connect

Connect your team in the cloud to the information they need using our differing levels of access for inspections, documentation, and communication.

Post-Weather - Threshold: 0.50 inches Rain Event Guide - DR Horton		Recurring: Weekly Oregon/ Washing	on specific day ton - Construction SW Inspec

Our RemoteSense weather technology uses NOAA's weather systems to pinpoint precipitation values down to 1 meter.

**Go**|Weather

## **Go**|Correct

Simplify your corrective action item documentation by allowing anyone to sign off action items straight from their email - without logging in

Take control by adding sites, users, forms, and more when you need it. Simplify your work flow while driving ultimate compliance.
